

2015 USRowing Masters National Championships

August 13-16, 2015

Cooper River Park, Camden County, NJ

USRowing, the Rutgers University Alumni Crew at Camden, Camden County Boathouse, and Camden County Board of Chosen Freeholders are proud to present the 2015 USRowing Masters National Championship. This regatta is an opportunity for masters rowers from across the country to come together and compete for national championships in more than 200 categories.

The Cooper River is one of rowing's most well-known venues, and has hosted rowing's most prestigious regattas. The venue has played host to this regatta numerous times, but most recently in 2009 and 2010. The 2009 event set a then-USRowing record with over 1,800 entries and 2,000 competitors.

The packet below contains regatta information, as well as some information about the venue and city.

We look forward to hosting you this year.

Expanded Adaptive Racing Opportunities

USRowing is excited to offer an expanded number of races for adaptive athletes at this year's regatta. Events are available Thursday, Friday, and Sunday.

No adaptive events are offered on Saturday, so that crews can also compete in the Bayada Regatta, being hosted in Philadelphia on Saturday, August 15.

Regulations for adaptive events are included in this packet.

Venue Information

Venue – Cooper River Park, Pennsauken, NJ

Trailer/Staging Area:

Cooper River Park

Corner of North Park Drive and Cuthbert Drive

Cherry Hill, NJ 08002

Boathouse Location:

7050 N Park Dr

Pennsauken, NJ 08109

Driving directions can be found online here: <http://rowing.camdencountyboathouse.com/locations-directions>

Adaptive crews and “cartoppers” will launch from the Camden County Boathouse.

Course: The course is a 1,000 meter, 6-lane, fully-buoyed course with stakeboats. Crews must be able to back into a stakeboat.

USRowing Membership:

The USRowing National Championship is a USRowing-owned event.

Each participant is required to be a current, “Championship” member of USRowing. Each participant must also have a signed waiver on file for 2015.

Each competing organization is required to be a current organizational member of USRowing.

Memberships can be activated or renewed by visiting <http://www.usrowing.org/join.aspx> or by calling the Membership Services Department at (800) 314-4769.

Memberships should be handled prior to arriving for the event.

Pre-Registration “Championship” Membership	On-Site Registration “Championship” Membership
\$65 (ages 27+)	\$70 (ages 27+)
\$45 (ages 26 and under)	\$50 (ages 26 and under)

If you have questions regarding the status of your organizational or individual memberships, please contact our Membership Services department at (800) 314-4769 or members@usrowing.org.

A current listing of your athletes, their member numbers, and expiration dates can be found on your online roster: <https://rosters.usrowing.org>

Waivers:

All athletes should make sure to sign their USRowing waiver using their Championship Member number.

Credentials:

Credentials will be issued to competitors once registration is complete, membership and waiver information is verified, and all fees are paid in full.

Each competitor must report to the USRowing desk to secure his or her individual credential. Coaches and team representatives will not be allowed to collect multiple credentials for their crews.

Each competitor will receive a wristband with his or her name, affiliation, and list of events. This wristband must be fastened by a USRowing representative. Wristbands should not be removed until a competitor has completed all events for the regatta.

Competitors will be required to show credentials in order to pass through Control Commission and launch for racing sessions.

Each athlete will receive one complimentary credential as part of their registration for the event. Any replacement credentials can be purchased for \$10 at the registration desk.

Eligibility:

Master: A master is a competitor who has attained or will attain the age of 21 during the current calendar year. A competitor's age is determined as of December 31 of the current calendar year, rounded down to the nearest whole number. A competitor thus becomes a master on January 1 of the year of his or her 21st birthday. A masters crew shall be comprised exclusively of masters rowers, but the coxswain need not be a master.

"AS": Open to athletes classified as "Arms and Shoulders" athletes.

"TA": Open to athletes classified as "Trunk and Arms" athletes.

"LTA": Open to athletes classified as "Leg, Trunk, and Arm – Physical Disability, Visual Impairment, and Intellectual Disability".

"Inclusive": Inclusive events are open to crews composed of a mixture of able-bodied and adaptive athletes. Inclusive crews must contain one adaptive athlete and one able-bodied athlete.

A rower who is a member of the current year's Senior or U23 national teams shall not be eligible to compete in the current year at the Masters National Championships. Exception: Members of the current year's Para-Rowing National Team are eligible to compete in adaptive events.

Classifications for Adaptive Athletes

If an adaptive athlete enters a regatta and does not have a classification status, the LOC may default him or her from the final results of the race if they are not able to provide documentation verifying their eligibility. The necessary documentation is the form on linked on the USRowing web site, which is linked below.

There will be no protests over any classified rower's sport class designation during a U.S. regatta. However, a protest can be brought if there is a rower entered who is not listed as classified on the USRowing web site.

Classifiers will not be present at the regatta. Athletes should be classified prior to competition.

If you are an athlete that needs classification, please check the list of Classifiers available on the USRowing web site.

The USRowing web site also has a copy of the Athlete Classification Form, a schedule of upcoming Classifier Workshop, and a list of currently classified athletes within the United States.

[Click here for Classification information on the USRowing web site.](#)

Entry Information:

No paper entries will be accepted for this event. All entries must be made online at [RegattaCentral](#). Initial registration will be available beginning April 1, 2015, and ending Sunday, August 2, 2015. No refunds will be given once the initial registration period has ended.

All entry fees must be paid in full by Sunday, August 2, 2015. After this date, unpaid entries will be considered late entries and subject to the additional fees associated with such designation. Payment arrangements may be made by contacting alvin@usrowing.org prior to the deadline.

Crews with an outstanding balance will not be allowed to compete until the balance is paid in full.

Entry Fees:

Boat Class	Amount	Late Entry Fees (Applicable Aug. 3)
8+	\$160	\$185
4+/4x	\$115	\$140
2-/2x	\$80	\$105
1x	\$55	\$80

Entry fees become non-refundable on August 2, 2015.

Late Entries:

Beginning August 3, 2015, late entries may be accepted in events where additional entries will not change the progression or exceed event limits.

Late entries must be submitted via RegattaCentral until August 5, 2015.

All late entries must be submitted with complete, visible line-ups, and with birthdates of each competitor.

After August 5, all late entries must be submitted at the USRowing desk located at the race venue.

No email submissions will be accepted.

All late entries must be submitted by the close of on-site registration on the day prior to the first race of the event being entered.

Scratches:

Entries may be scratched without penalty until the end of the online registration period on August 2, 2015.

Beginning August 3, 2015, no refunds will be given for entries that are scratched.

Scratches must be made via RegattaCentral until August 5, 2015.

After this time, any scratches must be submitted via the USRowing desk at the regatta site.

No email submissions will be accepted.

A \$50 scratch fee will apply to all scratches made after the Coaches, Coxswains, and Blind Boats Meeting.

Crews that fail to notify USRowing of a scratch at least one hour prior to the scheduled start time of the race in question are subject to a "No-Show" penalty of \$100, in addition to the \$50 scratch fee.

These charges, if applied, will be reflected on the RegattaCentral account for the applicable entries, and may preclude future crews from that team in participating in racing until the amount is paid in full.

Lineup Changes:

Beginning August 5, 2015, only 50% of a crew's lineup, not including the coxswain, may be substituted, with the exception of single sculls.

Substitutions cannot be made for single scull entries except for cases of illness or injury as described in the USRowing Rules of Rowing.

No lineup changes will be accepted via e-mail.

RegattaCentral will remain open to receive line-up changes until August 5, 2015.

After this time, all substitutions must be made by submitting a change form to the USRowing registration desk no less than one hour prior to the first race in the event.

Line-up changes **MUST** include the birthdate of the incoming athlete, so that the crew's age can be accurately adjusted.

A crew submitting a substitution is responsible for ensuring that the average age of the crew remains within the bounds of the event in which it is participating.

Each lineup change requires that the incoming and outgoing competitors, including coxswains, have their credentials updated by a USRowing representative.

Affiliation:

A competitor shall represent only one organization at a regatta.

If you are competing for entries with multiple organizations, you must represent only one organization in all entries. Entries with other crews must be entered as composite crews, and your affiliation must be registered with your original organization.

Coxswains must represent one organization, but having a coxswain from another organization in a crew does not make it a composite entry. However, crews entered in "Club" events must have a coxswain that meets the criteria for a "Club" event.

Composite Entries:

Composite entries are allowed to compete at the USRowing Masters National Championships in events other than "Club" events.

Composite entries must include the affiliation of each member of the crew. These affiliations must comply with the affiliation rule listed above.

With the exception of Club Event races, crews may row under their club name with a coxswain from a different club (the boat will not be considered composite). Crews must provide the accurate name of that coxswain and must race with the same coxswain for all races in that particular event. Coxswains for these crews are not considered to be representing an additional organization, and are still in compliance with the "Affiliation" rule listed above.

Composite crews do not earn points towards point trophies.

Composite crews will receive an exception from being required to wear matching uniforms.

Event Limits:

No competitor (excluding coxswains) shall enter more than six events at the Masters Nationals. If a competitor violates this limit, the competitor shall forfeit all medals won and be ineligible for the following year's Masters National Championships. In addition, the boat in violation will forfeit its medals. Coxswains may participate in as many events as time allows.

Event numbers will be listed on athlete credentials to track each athlete's participation. For this reason, each line-up change requires all athletes involved to have their credentials updated by a USRowing representative.

Club Events:

In order to compete in Club Event races, all members of the crew (including coxswain) must be from the same club and live within 50 miles of that club.

Mixed Events:

A crew competing in a mixed event must be 50% male and 50% female, not including the coxswain.

A female rower shall not compete in events for men, and a male rower shall not compete in events for women.

Rules:

USRowing's Rules of Rowing will govern this event. All member organizations should have received a copy of the 2015 Rules of Rowing.

An online version is available at <http://www.usrowing.org/About/RulesofRowing.aspx>

USRowing licensed referees will officiate the event to ensure fairness and safety.

The following rules will be waived for this event:

- Rule 3-104 Minimum Weight of Boats
- Rule 3.202 Oars, uniform throughout the crew

Weigh-Ins:

Lightweights

Competitors shall be weighed in racing uniform without shoes or other footgear. Credentials must be presented prior to weigh-in procedures.

The weight of rowers in lightweight events shall be determined once each day during either the Weigh-in Window or the Adjusted Weigh-in Window, but not both, provided that the weigh in occurs on the same day and before the Scheduled Time of the Race.

The Weigh-in Window opens two (2) hours and closes one (1) hour before the Scheduled Time of the Race (not the Event) where the weight is relevant.

If the race schedule is officially altered, an Adjusted Weigh-in Window opens two (2) hours and closes one (1) hour before the newly Scheduled Time of the Race.

Competitors who fail to weigh in during the Weigh-in Window or the Adjusted Weigh-in Window shall be deemed ineligible to race.

“Adjusted Weigh-in Window” -- Should the regatta organizers or race officials adjust or alter the racing schedule for compelling reasons, changing the amount of time between the Weigh-in Window and the newly Scheduled Time of the Race, an “Adjusted Weigh-in Window” shall be created. The Adjusted Weigh-in Window shall be not more than two (2) hours and no less than one (1) hour before the newly Scheduled Time of the Race.

Normally occurring regatta delays do not create an “Adjusted Weigh-in Window”. Only official schedule changes which are posted by regatta officials.

Lightweight Men:

Max 160 lbs. (no average)

Lightweight Women:

Max 130 lbs. (no average)

Coxswains

Coxswains will be weighed in once during the regatta. Coxswains will be able to weigh in any time after they register and pick up their credential, but must weigh in no later than one hour prior to their first race of the regatta.

The weigh-in must be observed and conducted by a referee in order for it to be official, and the referee will issue the appropriate wristband indicating that a competitor has completed an official weigh-in.

In the event a coxswain is weighed less than one hour prior to their first race of the regatta, as described above, but before the first race in which the weight is relevant, the coxswain may be subject to a penalty at the discretion of the Referee, the presumed penalty is a Warning.

Failure to weigh-in prior to the first race in which the weight is relevant shall constitute a violation of Rule 4-105.1 and result in the coxswain being deemed ineligible to race.

Coxswains shall be weighed in racing uniform, without shoes or other footwear.

Credentials must be presented prior to the weigh-in procedure.

Coxswains failing to meet the minimum weight standards listed below shall carry deadweight in order to achieve the minimum weight in accordance with the 2015 USRowing Rules of Rowing.

Weighted vests cannot be worn as deadweight.

Coxswain for Men’s and Mixed Events

Minimum 120 lbs

Coxswain for Women’s Event

Minimum 110 lbs

Age Categories:

Category	Ages
AA	21-26
A	27-35
B	36-42
C	43-49
D	50-54
E	55-59
F	60-64
G	65-69
H	70-74

I	75-79
J	80+

The age category of a masters crew shall be determined by the average age of the rowers in the crew, rounded down to the nearest whole number. The age of a coxswain shall not be counted. The ages of individual rowers need not fall within the age category, so long as each rower is a master and so long as the average age of the crew falls within the applicable category.

Individuals whose age places them in the AA category (age 21-26) may now compete in any age category where the average age of the boat falls within that specific age category.

A masters crew may compete in a lower (younger) age category but not in a higher category.

If there is more than one entry in a given age category, no handicap shall be used. No handicapping will take place at Masters Nationals.

Equipment:

All equipment used in competition must meet the USRowing Rules of Rowing requirements for equipment, with the exception of the waived rule listed above. Each organization is responsible for ensuring that its equipment meets these standards.

Crews must provide their own bow balls. Bow balls must meet the requirements set forth in the USRowing Rules of Rowing.

Bow numbers will be provided to crews when they pass through Control Commission to launch for racing sessions. Bow numbers must be properly affixed to the shell in order for a crew to be allowed onto the race course.

Any equipment not meeting these standards, or judged to be unsafe by a USRowing official, will not be allowed onto the water.

Pontoons are optional for LTA events.

Rowers in the TA class are required to use a pelvic or thigh strap that is non-elastic, with a quick release, either of Velcro or a plastic, non-mechanical buckle. Pontoons are optional. TA events will use a fixed-seat.

Rowers in the AS class are required to use a chest strap that will remain in place during the entire race. The strap should be placed just below the nipples or under the breasts and be parallel to the water, and have the same components as the thigh strap for the TA rowers.

Pontoons are required for all AS competitors, and must touch the water in all cases. For Inclusive event, only one set of pontoons is needed and can be on either rigging, but two sets are preferred.

Outside Assistance:

Crews are reminded that they are not to receive outside assistance during a race except from the unaided voice.

Progression:

Modified USRowing Progression System "B"				
Entries	Heats	Advance	Semifinals	Advance
1-6	0			Final Only
7	2	(all but last)	-	Five boat final
8-12	2	3	-	-
13-18	3	2	-	-
19-24	4	3	2	3
25-36	6	2	2	3

Coaches, Coxswains, and Blind Boat Meeting:

The Coaches, Coxswains, and Blind Boat Meeting will be held at 5:30 p.m. on Wednesday, August 12, 2015. All crews are responsible for any information disseminated at this meeting.

There will be abbreviated Coaches, Coxswains, and Blind Boat Meetings held at 6:30 a.m. each morning before racing begins. Those who are not able to attend Wednesday's meeting should attend one of these meetings to be updated on the items discussed in that meeting. Those interested in attending should meet at the USRowing registration tent.

Schedule Information:

Each event will go through its entire progression on the same day. Heats will take place in the morning leading into finals the same afternoon. Any necessary semifinals will be run after the morning heats, but before the start of finals.

Racing will take place all day Thursday, Friday, Saturday, and Sunday.

Races that have only one or two entries may be combined with other events.

Practice and Venue Access

The venue will be available for trailer parking and boat drop off beginning Wednesday, August 12 at 1:00pm. Any crew arriving before this time must contact Jamie Stack, to ensure your trailer is parked properly. Email Jamie prior to your arrival: regatta.info@camden.rutgers.edu

The course and athlete scales will be open for practice on Wednesday, from 1:00pm-5:30pm.

Additional practice times may be available on racing days, if time allows after racing has concluded for the day.

Inclement Weather Policy:

The Chief Referee, USRowing, and the LOC will work together to monitor the weather continuously during the event.

Should it be determined that schedule changes are necessary due to weather concerns, the following weather plan will be utilized:

Communication Plan

- a. Weather-related schedule changes will be announced utilizing the following media.
 - i. Posted on the results board at the regatta site.
 - ii. Announced over the on-site sound system.
 - iii. Posted online via Twitter, Facebook, RegattaCentral, and the USRowing National Championships event website.
 - iv. Via text message. Coaches and athletes can register to receive weather related text messages by texting "USRowing" to 313131. This service will only be used for weather related messages.

Teams are responsible for staying updated on announced schedule changes.

Please direct any questions about schedule changes to USRowing at the registration area.

Schedule Changes will be made with the following priorities

- Delay racing later the same day, if time is available. This may also include removing breaks in the schedule and reducing race centers between race times.
- Begin racing earlier than previously announced. Announcement will be made no later than 3 hours before racing or 9:00 p.m. the evening before in the case of morning racing.
- Omit a round of the event. The composition of the next round will be determined on the basis of the results of those rounds that have been completed. If grand finals must be omitted, medals will be awarded based on the times of the last completed round of the event.
- Delay racing to a later day in the regatta, if time is available.
- Cancel some races on a single day of racing. Priority will be given to events that have not had run a round of racing to remain on the schedule.
- Cancel a single day of racing.
- Cancel regatta.

Under no circumstances will races be run after August 16, 2015.

Medals:

Gold, silver, and bronze medals shall be awarded regardless of the number of entries in the event.

When a race consists of only one entrant per age category, a gold medal will automatically be awarded upon completion of the race.

Trophies:

Competitors who are in possession of trophies from the 2014 Masters National Championship are responsible for returning those trophies.

Trophies may be shipped to the USRowing office at 2 Wall Street, Princeton, NJ 08540. Shipped trophies must arrive no later than August 1, 2015.

Crews competing at the 2015 Masters National Championships may return 2014 trophies on site. These crews must notify USRowing of their intention no later than August 1, 2015, and these returns must be made no later than the Coaches, Coxswains, and Blind Boats Meeting.

Organizations or individuals wishing to donate a new trophy for an event should contact USRowing via e-mail (james@usrowing.org) for a list of events still seeking trophies.

Team Point Trophies

The following trophies will be awarded to clubs based upon the points earned by that crew's clubs in Masters National Championships events each year. These trophies shall be awarded at the Masters National Championships.

- The Overall Point Trophy is awarded to organizations that earn points in men's, women's, and mixed events. The total points shall be the sum of points awarded in all men's women's, and mixed events for all age categories. Points must be earned in no less than two of the three gender categories (men's, women's, mixed). Therefore, organizations that receive no points in the events of two gender categories receive no points for the Overall Points Trophy.
- The Men's All Event Trophy is awarded based on aggregate points received in all men's events for all age categories.
- The Women's All Event Trophy is awarded based on aggregate points received in all women's events for all age categories.
- The Efficiency Trophy is awarded based on aggregate points received towards the Overall Point Trophy with the fewest number of registered competitors, with a minimum of 3 competitors. The efficiency rating will be calculated by dividing the total points for each club from the Overall Point Trophy by the number of registered competitors from the corresponding club.

The club of the winning boat in each Masters National Championship event shall receive points as follows:

Type of Event	Points
1x	10
2x, 2+, 2-	15
4+, 4-, 4x	20
8+	30

The clubs of the remaining boats in the finals race of a Masters National Championship event shall receive points according to the following percentage of the points awarded to the national champion in that event. If more than six boats raced in heats in an event, points shall be awarded as if six boats raced in the final, regardless of the number of crews that actually race in the final.

Number of Boats	Percentage of 1st Place Points in Event				
	2nd	3rd	4th	5th	6th
2	20%				
3	40%	20%			
4	60%	30%	5%		
5	80%	40%	10%	5%	
6 or more	80%	40%	20%	10%	5%
